Re-boardABILITY

The FFL 2R HO features field replaceable boards and drivers. This allows you to upgrade to more efficient technology in the future. Or, in the rare event of a failure, you can rapidly replace defective components. Re-boardABILITY helps to ensure you won't get stuck with an obsolete light fixture. Learn more about Re-boardABILITY here.
Click here for a video demonstration of the re-boarding process on a FFL.
Note: Exact time varies depending on the model.
