

ECLN G2

LED Narrow Profile Strip

The new and improved ECLN G2 features high efficacy LED technology - **now in 90+ CRI standard!** The ECLN G2 is available in a wide range of outputs, sizes, finishes, and color temperatures.

- Sleek, aesthetically pleasing design that fits right at home in retail applications
- Available in six different lengths - from 2' up to 16'
- Wide range of lumen output, ranging from 1,000 lumens in the 2' version up to about 20,700 in the 8'
- Multiple control options - from simple on/off occupancy sensing to advanced network and IoT controls
- Re-boardABILITY prevents obsolescence by ensuring you always have a way to secure the highest efficiency LED modules for your luminaires
- Available in white (standard), Matte Black and Metallic Silver finishes
- Made in the USA - in our Henderson, NC facility - using mostly domestic and some foreign components. BAA compliant models available

Voltages available: 120-277V, 347V

Size options: 2', 4', 6', 8', 12', 16' lengths

Certifications: UL 1598 listed for US and Canada, suitable for damp locations. DesignLights Consortium qualified on specific configurations.

Warranty: 5-year limited system warranty. 10-year extended warranty available on specific products.

Available CCTs: 3000K 3500K 4000K 5000K

CRI: 90+

Options: Multiple controls options, emergency backups, quick wire harnesses, and many more

ECLN G2 2'

Output: 1,040 to 5,180 lumens
Wattage: 8.5 to 37.5W

ECLN G2 4'

Output: 2,090 to 10,380 lumens
Wattage: 15.4 to 72.5W

ECLN G2 6'

Output: 3,130 to 15,270 lumens
Wattage: 21.9 to 106W

ECLN G2 8'

Output: 4,180 to 20,770 lumens
Wattage: 28.5 to 146.7W

ECLN G2 12'

Output: 6,270 to 15,560 lumens
Wattage: 42.3 to 101W

ECLN G2 16'

Output: 8,360 to 12,780 lumens
Wattage: 56.1 to 84.9W
